# TechNET IT Recruitment

# Alex Sanders

## Senior Data Consultant

I work as a Senior Consultant in the data space at TechNET Digital. I have successfully placed individuals with diverse and niche skillsets in businesses from an array of industries both big and small. I love working with clients and candidates alike and I believe that the right candidate can transform a business!

## MY EXPERTISE:

- Data Science
- Web/Digital Analytics
- Data Engineering
- Business Intelligence
- Big Data
- Marketing

## RECOMMENDATIONS:

service management group®

"Alex has been absolutely great to work with. He contacted me to inform me of a job opportunity which immediately interested me and aligned with my career goals. Throughout the entire recruitment process, he's been very friendly in all our dealings, he's kept me constantly updated, and has represented me and my interests brilliantly. Now thanks to his efforts, I've been able to land myself a great new job!"
