Yimmy Pereira
Sr Software Engineer, Tom Tom Telematics

“I have been working with Alejandra since 2012, first in Dacartec (Altare) as Contractor to Santander and now as a Client Delivery in UK. She is attentive, informative and efficiently finding the contractors we required without any issues. She answered my questions and relayed any concerns to my employer with ease. Is a pleasure to work with her.”

Antonio Lopez
Project Manager, Santander Technology

“I’m been working with Alejandra for the past couple of years, She answered my questions and relayed any concerns to my employer with ease, always happy to resolve any issue and followed them until is solved. She is very helpful and professional every time I need her.”

Barbara Sanchez
STP Change Administration, Santander Technology
