### RECOMMENDATIONS:

Chloe introduced herself to me by way of an email suggesting that I would be a good fit for a job role she had available. She was absolutely correct. Chloe has been cheerful, pleasant, positive and efficient in handling the process. I was kept well informed, which is not to be taken for granted in my experience of job agencies. I am now a week away from starting a new job that I am very much looking forward to. I would definitely recommend Chloe to anybody considering an employment opportunity in her portfolio.
