

Thomas Zygo

Recruitment Consultant

With over a years' experience in sales recruitment, I have built a strong network of sales professionals across the globe. My current role at TechNET has allowed me to specialise in the appointment of senior business development professionals in the technology sector.

I am passionate about working in partnerships with industry leaders and growing businesses to help build leading global sales teams. I am very organised in my approach and feel my process management is the biggest asset I bring to my clients.

MY EXPERTISE:

- Business Development
- Account Management
- Partnerships/Alliances
- Senior Sales
- SaaS
- Cyber Security
- Software Development
- Process Management
