- Analysts
- Digital
- Full Stack Development

RECOMMENDATIONS:

"We have been working with TechNET for the past 5 months and so far we have had a very good working relationship. TechNET has assisted us on a number of vacancies across HR, Finance, BPR and IT. We have received great support starting with introductory calls, right through to CV reviews, interview scheduling and offer processing. Regardless of the vacancy, Charlotte and Hannah have made us feel fully supported throughout the whole process. TechNET are always up for a challenge and have a great attitude even to the seemingly impossible to fill roles. Looking forward to continuing this partnership."
