

Lauren Oakley

Contract Practice Manager

With a decade of experience in contract recruitment, I currently serve as a Contract Practice Manager, guiding a small team of talented recruitment consultants. I excel at grasping client needs, connecting them with top contract talent, and seamlessly matching their requirements with high-calibre professionals.

My commitment to building lasting relationships emphasises trust and integrity in every interaction. Deep knowledge of technical requirements and a steadfast dedication to consistent communication makes me a reliable and trusted collaborator and partner.

MY EXPERTISE:

- Network Infrastructure
- Cloud
- Cyber Security
- DevOps
- Software Development
- Testing
