

## Amit Vadgama

### Senior Recruitment Consultant

I am proud to head up the Cyber Security function within TechNET as a subject expert working on Executive Search and Senior Appointments. I am passionate about working in partnership with growing businesses, focusing on the success and transformation of organisations by attracting top talent across the globe.

---

#### MY EXPERTISE:

- Cyber Security
- Client Engagement
- Executive Search
- Consulting
- Business Transformation
- Senior Appointments

---

#### CLIENTS:

"I've worked with Amit on a few vacancies now, and would recommend him as a great consultant to work with. Firstly, he's very easy to work with, knowledgeable, and checks in regularly on search updates.

He supported me on a crucial hire for Senior PMO, and within 3 weeks we had 4 candidates interviewed and an offer out and accepted.

I would highly recommend him!"

**Ben Enlander**  
Head of Talent Acquisition  
FitFlop

"I recommend Amit to anyone seeking exceptional talent acquisition expertise. Throughout our collaboration, he has consistently demonstrated a keen understanding of our hiring needs and quickly sourced top-tier candidates who seamlessly integrated into our teams. His proactive communication and thorough vetting process ensured a smooth and efficient hiring process, ultimately contributing to the success of our organisation."

**Kurt Schrauwen**  
Cyber Director  
Riela Cyber
